SOURCE

1. It was not possible to put blast furnace No. V at EKO into operation on 1 May 1953 as planned. The new deadline will not be before July 1953. It was originally planned to put blast furnace No. VI into operation on 1 July 1953; the furnace will not be able to produce, however, before 1 September 1953. The Siemens-Martin steel plant at EKO will not be finished in 1953, and it is at present impossible to say when it will be ready for operation.
